Vibro Master 4000

Trailed seedbed cultivator

Vibro Master 4000

As expert within seedbed cultivation, Kongskilde expands the product range of seedbed cultivators with the new Kongskilde Vibro Master 4000.

Vibro Master 4000 is a heavy duty trailed seedbed cultivator for traditional seedbed cultivation mainly in ploughed soil conditions.

Standard	Accessoires
<ul style="list-style-type: none"> • Heavy duty box frame construction • 4 sets of hydraulic operated tandem wheels • 250/65-14.5 tires • Super – S tines at 75 mm spacing • Hydraulic operated flex board w. Vibro Level tines and wear plates • Drawbar for optional hitch connections • Transport lock system • Support leg for parking 	<ul style="list-style-type: none"> • Bolt on hitches (40 mm / 50 mm / K80) • Rear level board (Vibro Level tines) • Long finger harrow • CL-VM3 combi harrow (long finger + C-roller) • Light kit • Track eradicators • 300/65-14.5 wide tires for 8 + 9 m version

Benefits for the farmer:

- Fully operated from the tractor cabin
- Equipped with the strong Vibro Super-S tine for optimal mixing
- 4 years extended warranty on S-tines
- Highly reliable tool for achieving the optimal seedbed
- Long cultivator with 7 rows prevents blockages in the frame
- Choice of different rear harrow options to suit local demands
- Large and visible indicator for the depth setting
- A trailed cultivator improves the ability to maneuver with smaller tractors
- Very limited maintenance requirements

Technical specifications

Model	Working width (m)	Transport width (m)	Rows of tines	Number of tines	Tine spacing	Transport height	Hydraulic flex-board	Weight * (kg)	Power demand (hp)
